

Hog Box Instructions

To make the collection box you will need glue and scissors, please ask an adult to help you when you are using scissors. Follow the instructions below and you will soon have made an amazing box that you can put in your classroom, at home or at work!

1. Cut around the lines that are marked in thick black and cut out the slot for the money; be very careful when using scissors.
2. Fold along each tab and each box side for easier gluing.
3. Put some glue onto tab 1 and stick to slide 1.

4. Do the same with tabs 2, 3 and 4 and stick to sides 2, 3 and 4.
5. Finally put some glue on tabs 5, 6 and 7 and stick to sides 1, 2 and 3.
6. Now you can start collecting for Nipper, Babe, Charlotte, Peanut and friends!
7. Once your collection box is full please donate to Guernsey Hedgehog Rescue Centre.
